Returns and Refunds

We pride ourselves in the quality of our seed, but as we are dealing with fresh produce, there are rare occasions where the quality is not up to the standard we aim for and our customers have come to expect.

Quality Complaint

Please check the quality of your order as soon as it arrives. Orders are sent out on 48 hour deliveries; your seed potatoes should be in perfect condition as they are visually checked prior to dispatch. If there is any defect or quality problem with the seed on arrival you must

inform us by email or in writing within 7 days of delivery. Where possible, pictures should be included. As our potatoes are fresh produce, we cannot accept responsibility for any deterioration of the seed after that time unless under special circumstances. If there is a valid reason for complaint, we will either replace or refund part or all your order, whichever you prefer. We may require you to return the original order - postage will be only refunded if the quality is sub-standard.

Change of Mind

If the order has been dispatched and you wish to change variety or amount, or wish to cancel, you will be liable for returning the unwanted goods to us in an unused condition in a timely manner. Only once goods are returned to us and checked will we be able to issue any refund **MINUS OUR POSTAL COSTS**.

Complaints

Should you have cause for complaint, please call us in the first instance and we will do our utmost to resolve any issue.

Governing Body / Complaints

We are governed by and follow the [British Potato Trade Association](#) rules regarding the sale of Seed Potatoes. They would also be arbitrators if a complaint cannot be resolved by us.
